**Facebook Coordinator**  
Ashley Richardson

## Notes from the President

Hello Everyone,  
I hope this finds you all in good health.

Rosana will be re-starting her nose work classes in June on Wednesdays with a small number of people. She will follow all local and government guidelines. This includes wiping all chairs, door knobs and surfaces used during her classes with disinfectant. At this time, she will be holding two small classes on Wednesday. She will be using the West building. All guests will sign a guest sheet release form.

Regarding ORKC classes, since no classes will be held during the summer months, we will resume them in August; however, practices may be held with the understanding that no more than six people will be allowed in the building at one time, masks must be worn and distancing guidelines must be followed. Anyone holding a practice inside or outside will be required to disinfect areas mentioned earlier.

If weather permits, you can hold your practice outside with no more than 10 people. Masks and distancing will apply here also.

Our shows October 3rd and 4th are moving forward, so be sure to volunteer, and if you would like to do a trophy pledge, contact Ashley for Obedience and Rally and Ken for Conformation.

If anyone has any questions about COVID-19 and animals, here are some links:
