President's Message

Hello Everyone,

I hope this finds you all doing well and in good health. Our next meeting will be on April 7. This is an important meeting, as we will be announcing the slate of candidates for the coming election of officers and board members and taking any additional nominations from the floor. It will be held at the club and on Zoom for those who cannot attend in person. Please be on the look out for the invitation in your email.

Planning for the October 1 and October 2 shows is well under way, and there will be updates coming. The trophy chair for Conformation is Paula Jenkins and for OB/RA, Ashley Richardson. Please contact them with your donations. Please contact me to volunteer at the show. We need your help!

The web site has been reworked and is continuing to be improved. It has been a lot of work and will continue to be. We have many events coming up this year, so check the web site and Facebook often for updates.

We have received complaints about the facilities. Please be considerate of your fellow club members and respectful of the great property and facilities we have by picking up after your dogs. Also please do not leave the bathroom in a mess. If you make a mess, clean it up.

I wish to thank everyone for their efforts to keep this club moving forward. The future is bright. Let's keep working together to make this club great. This all works because of you.

Ken Dudley
ORKC President

We have changed to a quarterly system of publication. We will produce an issue in January, April, July, and October. Our deadlines are the 15th of the Month preceeding the publish month. Please do not stop sending brags and updates. If there is a particular event or an abundance of brags, there will be a special edition published. Also, please make sure you are receiving these newsletters by adding our email to your safe senders list!

If you would like your pictures or brags to be put into the next Woofers, please send pictures and descriptions to **Paula Jenkins at pgjh@msn.com. We would love to feature you!**

TRACKING TEST

Great news! ORKC will again be putting on a combined TDU/VST tracking test on October 16, 2022. The judges are Ed Presnall and Deb Maheu from Michigan. It is a 6 track TDU and 3 track VST and has been approved by AKC. Tracy Jones is the Test Secretary and Jean Burdick is the Chair.

We are hoping we can get a great turnout of ORKC volunteers to help put on the test. You don't have to have experience we will help you. We are looking forward to this test and are doing some fun new things for the workers and the draw.

Anyone wanting to volunteer please text or call Jean Burdick at 865-310-1204.

If you have any questions about the test contact Tracy Jones at firstwatchbmf@gmail.com. Track ON!

MORE INFORMATION TO COME

AMERICAN KENNEL CLUBSM

Dear Club Officers and Delegates,

Once again, we are reminding you that it is very common for Clubs to receive “phishing” and “spear phishing” attacks via email. Several Clubs have notified us of recent attempts by phishers to fraudulently attain large sums of money from Club funds.

Spear phishing attempts are customized emails that target a specific individual (often executives) and can be made to appear to come from another specific individual. They usually convey a sense of urgency and are requesting a specific action to be done. For example, the email may appear to come from the Club President to the Treasurer requesting a wire transfer to a third party.

If you receive any emails of this nature, you should immediately confirm the authenticity of the email with the person from whom the email appears to be sent. Do not do this by replying to the email, as it may go right back to the phisher and can subject you to the possibility of further cyber-attacks. Instead, call the person directly who allegedly sent the email. If you are unable to reach them, wait until you do, prior to transferring any money or completing any action (i.e. clicking links in the email). Sophisticated hackers access the calendars of their targets and will often send the attack email when they know the person that they are impersonating is traveling or otherwise difficult to reach.

It is very important to know the warning signs of a fraudulent email. These emails may not only ask for funds, but they may provide links or attachments that install malware or coerce the recipient into providing their login information. If you receive any suspicious email, we recommend you a) do not click any links in the email; and b) do not reply to the email. Delete it immediately and advise your fellow officers in a separate email. This document highlights social engineering “red flags” that you may find helpful. Feel free to distribute to other club officers and members as you see fit.

Also, please note that AKC is unable to monitor and cannot control phishing emails sent to any Clubs by a third-party actor. This is true even when such emails appear to come from an AKC employee. In such instances, the individual mailbox owner is the primary line of defense and must remain ever vigilant.

Best Regards,

Dennis B. Sprung

Tennessee Alerts Updates: Take Action on Bills that Could INCREASE Risk of Harm to Dogs

By [AKC Government Relations](#)
Mar 25, 2022 | 3 Minutes

So far in 2022, responsible Tennessee dog owners have successfully opposed several problematic bills. Next week, more overreaching bills are scheduled for hearings. These bills could actually increase the risk of harm to dogs.

[Senate Bill 2243](#) and [House Bill 2860](#) both seek to make it an offense for a person to restrain a dog with a chain, cord, tether, cable, or similar device when a severe flooding or tornado warning or a mandatory or voluntary evacuation order is in effect for the geographic area where the dog is located. Unfortunately, these bills could *increase the risk of harm to a dog* by prohibiting a person from “restraining” their dog to keep it safe and close by when preparing to evacuate or during an evacuation *with the dog*.

The bills would also make it an offense to safely tether a dog during certain weather warnings, even if the dog has access to appropriate shelter or if the forecasted conditions do not occur where the dog is specifically located.

The bills are scheduled for consideration early next week. Concerned Tennessee dog owners are urged to contact members of both committees to state their opposition to the bills.

What you can do:

FIRST: Contact Senate Judiciary Committee members and respectfully ask them to vote NO on Senate Bill 2243. The committee is scheduled to consider the bill on March 29.

Sen. Mike Bell, Chair, (615)741-1946, sen.mike.bell@capitol.tn.gov
Sen. Dawn White, (615)741-6853, sen.dawn.white@capitol.tn.gov

Sen. Kerry Roberts, (615)741-4499, sen.kerry.roberts@capitol.tn.gov
Sen. John Stevens, (615)741-4576, sen.john.stevens@capitol.tn.gov

NEXT: Contact House Criminal Justice Subcommittee members and respectfully ask them to vote NO on House Bill 2860. The subcommittee is scheduled to consider the bill on March 30.

Rep. Clay Doggett, Chair, (615)741-7476, rep.clay.doggett@capitol.tn.gov
Rep. Cameron Sexton, (615)741-2343, speaker.cameron.sexton@capitol.tn.gov
Rep. Bill Beck, (615)741-3229, rep.bill.beck@capitol.tn.gov

Rep. Dan Howell, (615)741-7799, rep.dan.howell@capitol.tn.gov
Rep. William Lamberth, (615)741-1980, rep.william.lamberth@capitol.tn.gov
Rep. Debra Moody, (615)741-3774, rep.debra.moody@capitol.tn.gov
Rep. Lowell Russell, (615)741-3736, rep.lowell.russell@capitol.tn.gov

The voices of Tennessee dog owners were heard this week. Thanks to action and advocacy by responsible dog owners, House Bill 2034 failed in subcommittee. This bill also dealt with tethering dogs. A problematic proposed amendment to the bill would have removed important exemptions to allow the safe tethering of dogs in conjunction with hunting and working activities, and as required by campsites and parks. AKC Government Relations continues to monitor HB 2034 because of a procedural technicality that, though unlikely, could allow a re-vote by the subcommittee. At this time, no additional action by Tennessee dog owners is recommended on HB 2034.

Why overreaching anti-tethering bills matter to responsible dog owners:

It is already a crime under Tennessee state law to knowingly tie, tether, or restrain a dog in a manner that results in the dog suffering bodily injury. Also, under existing law, upon conviction for certain animal-related offenses, the dog must be forfeited to a humane society and a court may prohibit the person convicted from having custody of other animals for any period of time the court decides. These significant penalties could apply regardless of whether a dog suffered any harm—or even discomfort—from being tethered or restrained.

Membership Report

As of March 13, 2022, ORKC has 160 members. 119 renewals and 41 new members (since Nov 2021). Thank you all!!

A updated directory will go online around April 1--renewals officially close on March 31. The directory has 2 new features: a good until date (ie, you renewed for 2022) and, for new members, their join date. For longer term members, I would like to add a "member since" field in the database, so if you know what year (+/-) you first joined ORKC, please let me know so I can add to your record.

A new online-fillable renewal form is in the works, as is an on-line fillable application form. These, combined with a Paypal payment system will, I hope, ease the renewal/application process.

Also, please email me with any corrections, changes etc.

2022-2023 ORKC Nomination Committee Candidate Statements

President: Shella Fuhrman

I came to dogs "late" and then I was sucked in by vizslas. My first vizsla, Robbie, was a companion, JH, CGC, agility failure, and champion of my heart. Tia, my next vizsla joined the house after I retired and moved to Friendsville from San Diego. She was going to be my dual dog. I joined ORKC in 2005 (or so) when I was training her for the show ring. She ended up with a SH, CA and a CGC (earned at less than 2 yo). I currently own two more vizslas: GCH Max SH CA and CH Riley. Riley is off with her breeder working on her field championship and Max is my old man at home.

I was Membership Chairman for the Vizsla Club of America from 2008 to 2016. I have also served on the 2017 VCA nominating committee and on 2 Bylaw revision committees. My dog training skills are not the best, but I am organized and committed to help make ORKC the premier all-breed club in East TN. The jobs I currently hold for ORKC are wrangling Cleaning and Membership.

1st Vice President : Tracy Jones

The very 1st formal dog class I took was at Oak Ridge Kennel Club in 2015. I started with CGC and became 'obsessed' with dog sports. I have currently have 5 bullmastiff's and compete in Conformation, Tracking, Obedience, Scentwork and Agility on a regular basis and have dabbled in Coursing, FastCAT, Barn Hunt and Trick Dog.

All of my bullmastiff's are finished to GCH or above with the exception of my youngest who finished her CH at eight (8) months. I originally did a lot of NOHS and my only dog, Recon is NOHS Silver lifetime. These days I usually have a handler since I am so busy with the other dog sports.

Last year my 1st Bred By bitch, Rush was the #2 bullmastiff bitch in the country and won Best of Breed at AKC Royal Canin National Championship. I have achieved a UD and Champion Tracker with my girl Kimber and she 1st bullmastiff to achieve the VCD3 (Versatile Companion Dog 3). Her sister, Fendi is GCHS and PACH.

I have recently volunteered as a tracklayer at several tests and am Test Secretary for the fall ORKC Tracking Test. I have stewarded many times at Conformation shows and in Obedience/Rally at the last two ORKC trials. I appreciate the wide variety of dog performance activities that ORKC can offer. I am looking forward to supporting the club in the next year.

2nd Vice President: Cheryl Bingham

I have owned Golden Retrievers since 1985 and enjoyed working with them in conformation and agility.

Treasurer: Susan Varraso

I am committed and happy to serve in the Treasurer's position for ORKC. I understand the requirements and feel that I am fully qualified. Having recently retired from a career in accounting, this position allows me to stay connected in the field.

I have owned Chesapeake Bay Retrievers for approximately 35 years. As one of the more energetic and intense retrievers, good training and leadership is highly important. Over the years, I have trained and successfully shown in Rally, Obedience, Agility, Tracking, and most recently Scent Work. For me, the best times have always been spent having fun with my dogs. My current activities with my dog is Barn Hunt, Trick dog and Fast Cat.

Secretary: Nancy Andrews

I have been showing dogs since 1984. I have shown in both Confirmation (1 Smooth and 1 Longhair Dachshund) and Obedience/Rally. I have 4 UD titles, 1 UDX title (with several OTCH points), 2 RAE titles, and one Master Rally Title. I have only shown Miniature Dachshunds, with one Papillon in the mix. I currently have 4 longhair, miniature dachshunds. I started showing in Connecticut and New England (born and lived there 50 years), then moved for 18 years to North Carolina, and finally, 4 years ago moved to Pleasant Hill, TN. I was the recording secretary for the Connecticut Yankee Dachshund Club for 8 years and will strive to do as good a job for Oak Ridge Kennel Club.

Training Director: Lorrie Johnson

My husband Joe and I have owned Chesapeake Bay Retrievers for over 25 years, and I earned my first obedience title on my Chessie Kandi in 1999. Since then, I have competed in obedience, rally, agility, conformation, scent work, hunt tests, and dock diving. We have also earned multiple CGC, trick, and therapy dog titles. My dogs are owner-handled in conformation, and my current dog Ariel is the first Chesapeake Bay Retriever CH/GCH to earn the Scent Work Masters (SWM) title. I enjoy mentoring newcomers to dog sports, and I especially enjoy seeing the bond develop between dogs and their owners as they progress in their training.

I am also a member of the American Chesapeake Club, currently serving on the Companion/Performance Events Committee. In the past, I have served on the Health Committee, and as an Assistant Obedience/Rally Chair for our national specialty show. Professionally, I am an Information Scientist for the U.S. Department of Energy in Oak Ridge, and I lead a team responsible for working with national laboratories throughout the country.

Board Member: Regina Hairie

Just to confirm I would be very willing to be part of the ORKC board for 2022-23 term.

My involvement with dogs has spanned 50 years. Mostly with German Shorthaired Pointers, conformation showing, obedience, and hunt tests.

The last 11 years we added Boykin Spaniels again conformation, rally, obedience, barn hunt, hunt tests and some agility. I have been a member of The Sleepy Hollow GERMAN SHEPHERD club for over 40 years. Have served as show chairman for our Specialty show. In addition I have been a board member of the Schenectady Dog training club and also Trophy Chairmen for several shows. I would be glad to help where needed.

Board Member: Barbara Byrum

John and I have raised and shown French Bulldogs in Conformation since 2000. We showed Bull Terriers before that. In 2016-17 We had the #1 Owner Handled French Bulldog in America winning from the Royal Canin show in Orlando, Florida. We have many Champions, Grand Champion and Bronze Champions, CGC, CGCA and CGCU, Farm Dog and Trick Dog Frenchies. When I belonged to TVKC, I was the Publicity Chairman. I served as Vice President of the Southeast French Bulldog Club and helped plan Supported Entries for Dog Shows. Training is very important to us. I will commit to attend meetings and/or zoom calls plus respond to email votes in a timely manner. It will be a honor to serve on the Board for 2022-2023 if elected.

Board Member: Gail Schroth

We moved to Crossville from Michigan 6 years ago. I got my first Puli in 1995, we currently have 3 Pulik that we have competed in Agility, Rally, CGC and Conformation with. We are not breeders just enjoy our dogs and showing. I am in my second term on the Puli Club of America board and serve on the trophy committee. We look forward to becoming active members of the ORKC.

Board Member: Taylor Seay

I have been active in AKC since I was 12 years old with my first Golden Retriever "Makayla" who introduced me to the world of dog sports, starting with agility and rally. I then competed mainly in Junior Showmanship thanks to multiple members of ORKC allowing me to show their dogs, training me how to handle and groom, and teaching me about their breeds. I currently show my Golden Retriever "Barry" and Shetland Sheepdog "Rhett" in conformation, agility, and rally. Outside of my dog related activities, I recently completed my PhD in Animal Science and work as a research associate in the Animal Science Department at the University of Tennessee. Since the majority of my youth was spent at the kennel club, my family and I say ORKC and many of the members helped raise me to become who I am today so I am happy to give back by serving on the board! Thank you!

Board member : Carol Jeffery

My name is Carol Jeffery and I am an Australian Shepherd breeder and competitor. I have had Pembroke and Cardigan Welsh Corgis. I have a dachshund as my side kick. I have successfully competed in Conformation, Agility , Obedience & Rally, and Herding with my dogs. I have been in Aussies for 40 years and shown Quarter Horses for 30 years.

I was born in Oak Ridge and have been a member of the Oak Ridge Kennel Club for the better part of 40 years. I have seen many changes in the kennel club over the years and watched it grow into a wonderful organization for the community. It would be an honor to serve on the board for another year.

Also attending were club members: Richella Veatch, Sharon Zickler, Becky Malivuk, Shelley Fratus, Shella Fuhrman, Nancy Andrews, Susan Sinatro, Susan Varasso, Gail Schroth

The committee reports were as follows:

Committee Reports

Secretary's Report – nothing to report.

- Correction to November 2021 Training Committee Report: On the financial breakdown for a May Obedience/Rally Trial with TVKC it should say \$300 *per day* for the K9 Center of East Tennessee.

Treasurer's Report – The treasurer was not present so there was no report.

Training Committee Report – all the classes are closed and full. Classes will begin January 11th, 2021. Training Committee members are as follows: Ashley Richardson, Becky Malivuk, Sharon Zickler, Bonnie Hornfisher. They would like to meet before the next session of classes.

Agility Committee Report – The January 2022 agility trial will be delayed one hour on Friday, January 7th, 2022 due to the inclement weather, but will adjust and accommodate if competitors get there late. Judges and equipment are on site ready to go. Everything is set up.

Tracking Committee Report – the tracking trial went well. The two dogs that passed were dogs from ORKC classes. The write up is in the Woofers. February test has not been finalized. Practice Committee Report – practice starts up next week. Making sure there are enough sign in/sign out sheets are available, and money is collected and labeled appropriately for the treasurer.

Cleaning Committee Report – they are well set for this session. John Bryrum and Summer Hart have joined the cleaning committee. The cleaning committee are looking into the reimbursement policies and coming up with an agreement to present to the board, so its members are reimbursed appropriately. The cleaning committee has not been reimbursed for their 2021 expenses.

- *A motion was made by Barbara Byrum and seconded by Frances Hart that the Cleaning Committee collect the names of the cleaning committee members, what they are owed for supplies and reimbursement pay and that will be presented to the treasurer for reimbursement and those reimbursements will be paid monthly by mail.*
 - o *This motion passed (unanimous vote by the 5 voting board members in attendance).*
- Ken Dudley reported that he made some calls and that no professional cleaning companies are willing to come to the club only once a month. We might be able to ask for a professional cleaning company to come every 6 months to do a deep clean.

Show Committee Report -

- October 2022 show, 4 people on the show committee: Ken Dudley (show chair), Richella Veatch, Naomi Furnald, and Paula Jenkins (Emily Smith and Gail Schroth might be good, potential show committee members).
- January 2022 Agility Trial is this weekend, January 7th through 9th.
- March 2022 Novice Only OB/RA Trial: The club has reached out to a potential trial secretary for the novice only trial - Deb Straw. She is reviewing our building measurements, flooring, trial dates, etc.
- Combined Show with TVKC: Bailey Whited at TVKC is working through some glitches in the AKC trial approval system. She will be contacting local judges (to keep costs down) once the trial has been approved with AKC. Both clubs have been agreeable on potential judges. The show is tentatively the May 15th weekend. Saturday will be ORKC, and Sunday will be TVKC. Two judges needed.

Nomination Committee Report – The Nominating Committee for 2022 are as follows: Becky Malivuk, Barbara Byrum, and Shella Fuhrman. They are going through bylaws to see what rules need to be followed.
